Subject: West Lake CAG Tech Committee Update
[AdministrativeRecordIndex WestLake 2006.pdf](#)

Hello all,
Updates:

- 1) The next CAG meeting is scheduled for June 8, 2015, at the IUOE Local 513 hall in Bridgeton. That means its best we schedule a CAG Tech Committee meeting before then.
- 2) I propose the next CAG Tech Committee meeting take place on May 25, 2015 at the 5:30pm at the same location as last time. (5:30-7:00pm at the Franciscan Sisters of Mary). We need confirmation for space availability as well.
- 3) There's an index of documents at the Bridgeton Trials library that I have attached to this email.

Outstanding questions:

- 1) Brad V. or Ben W.: Is EPA Region 7 nearing the release of answers to the last set of questions?
- 2) Brad V. or Ben W.: Will EPA Region 7 link each document recorded in the administrative record attached to this email on the EPA website?
- 3) Brad V. or Ben W.: Does EPA Region 7 have a similar index for the administrative record post-2006?
- 4) Mary Catherine, Gwendolyn, or anyone else taking notes: Will you please share the notes with the group?

Please let me know if May 25 works to convene a CAG tech committee meeting so we can secure a space. Also let me know if I missed something or there's something new to add.

Best regards,
Ed
